Monthly Schedules: Please note that schedules for the month are due to the supervisor at least five business days before the month starts. Example: If you are working with a client in May 2024, please submit your entire May schedule by April 23, 2024 to your supervisor. This will help to ensure supervisors are aware of when staff are working, if we are within the amount of hours authorized by the state, and allow time to offer more services to the client/family or the caregiver before the month begins. Please note that clocking in and out of Therap is mandatory for EVV compliance. If your schedule changes, please alert your supervisor immediately so Therap is up to date and has a scheduled slot for you to clock in and out of.

Service Type Examples: Personal Care, Respite, Private Pay

please alert your supervisor immediately so Therap is up to date and has a scheduled slot for you to clock in and out of.

Shift Log: Please note that your shift logs are due weekly. They should be sent directly to your supervisor. Please also note that you are paid for the hours that are clocked in and out in Therap. Staff should be checking their clock in/outs in Therap daily & weekly and requesting changes to their supervisor ASAP. If changes are not made

COVID-19 Protocols: Three statements are included on the shift log for HCA's to initial every shift. The screening questions to ask yourself and the client are listed on the SAILS Washington Home Care COVID – 19 Screening Questions form. If you do not have a mask or your mask is worn out, SAILS Washington has a stock of masks and PPE available for all employees, free of charge.
